♥ About Nana

Jackie Tarchala, aka Nana (to her 4 grandchildren), moved to Amador County in 1992, bringing her love of cooking, baking, & gourmet foods. Friends loved it when she created something for a get-together, because it was always tasty & homemade. In 2011, Nana acted on friends' suggestions to start her own business. Now, Nana is baking & sharing her goodies from her retail bakery located in the old Jug & Rose building in Volcano, CA. Nana's gold is to thrill your taste buds and bring back memories with her specialty baked goods using the best natural & organic ingredients in traditional, dairy-free, egg-free & gluten-free products. **WELCOME!**
